PAW-PAW PILLS PENNSYLVANIA MAY BUY GOULD LINE

I want all persons who suffer from Torpid Liver, Biliousness, Constipation, Jaundice, Headaches, Dizziness, thin or impure blood, with sallow and dull complexion, who have Pimples, Eczema or any Skin Eruption to throw away all Catharties, and all so-called blood puriners and try my Paw-Paw Pills. I don't want any money—don't want you to invest a penny until you have given these pills a trial. I am willing to give away milions of them so that the people can learn, without cost, that they are the best pills on earth.

TRYING TO PROTECT PIPES.

Transit Company and City Officials Conducting Experiments. Water Commissioner Ben C. Adkins said vesterday that experiments were beng made by his department in connecion with the St. Louis Transit Company o do away with the electrolysis of the city's water pipes.

The expense is met by the Transit Comand the work carried on under the supervision of the Water Commissioner.

In the experiments the zone where no corrosion of the pipes takes place has been established as lying south of Twenty-third street in a district bounded approximately by Chambers and Lynch litreets.

treets.
The dangerous points are those within a life of the power plants of the company, and in these sections the current carried by the pipes has been cut down from ne voits to one-half voit in many intances. This result has been obtained by connecting the water pipes to the racks by copper wires, giving the current a chance to escape to the rails without taking part of the pipes with it.

Wall street regarded the statement that one of the purposes of the loan was the purchase of the Western Maryland as very purchase of the Western Maryland as very important. The differences between the Gould-Pennsylvania interests have engaged the attention of financiers for months, and while reports that an adjustment was under way have been made repeatedly within the last few weeks, official confirmation is lacking. One of the rimors in circulation to-day was that the Pennsylvania, after taking over the Western Maryland, would give the Gould lines a favorable arangement for seaboard traffic.

Philadelphia, Feb. 5.—An official of the Pennsylvania Railroad Company said to-

"The Pennsylvania Railroad Company is not issuing any notes or obligations, nor does it propose to do so. The negotiation for a \$50,000,000 loan alluded to in a New York dispatch, no doubt, refers to the arrangements made by the Pennsylvania Company, which operates the lines west of Pittsburg, comprising a system of 5,000 miles, and provides for its financial needs. "These lines serve territory where the growth of the steel and like industries made exceptional demands during the last year upon the rallways for increased facilities and betterments. For the purpose of providing for expenditures already made, and for similar work to be done this year, the company has arranged for the loan referred to, which will be permanently financed before its maturity. The money is not to be used to purchase or control any properties or syndicates connected with other railway systems." not issuing any notes or obligations, nor

Duffy's Pure Malt Whiskey contains no fusel oil, and is the only whiskey recognized by the Government as a medicine. This is a guarantee.

CAUTION - When you ask for Duffy's Pure flait Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and Malt Whiskey substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's" and be sure you get it. It is the only absolutely pure Malt Whiskey which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in sealed bottles only; never in flask or bulk. Look for the trademark, the "Old Chemist," on the label, and be certain the seal over the cork is unbroken. Beware of refilled bottles.

Just before the afternoon session Justice
Pritchard summoned into his private room
the jury and counsel on both sides. He
amounced to them that two jurors had
informed him of the receipt of several letters bearing on the case, which represented to them that they eught to stand by
the Government.

It is understood that Government counsel disavowed any responsibility for the
communications, while counsel for the defense availed themselves of the opportunity to say that neither by word nor act had
any attempt been made by them or their
clients to influence the jury in any way.

Justice Pritchard warned the members

FIGHTING AMERICAN PAPERS.

Canadian Publishers Would Cancel Postal Arrangements. Toronto, Ontario, Feb. 5.-At the meeting of the Canadian Press Association to-day a resolution was passed asking the Government to cancel the present postal arrangements regarding American publications. If this be arranged, it will mean that all papers coming from the United States will be charged at the rate of 8 cents per pound.

It would also imply a 5-cent rate on letters and a 2-cent rate on postal cards. It was shown that Canada delivers 109 bags of United States papers for every bag of Canadian papers delivered in the United States.
